

Idaho is Going Online

87 million visits to the portal in 2002.

Over \$2 million processed by the tax payment portal in 2002.

Paper vs. online:
70% of IFTA paper filings contain calculation errors, whereas less than 1% of online filings do.

Business Entity Search averages 6,000 users per month.

11 types of professional licenses can be renewed online.

Subscribers use multiple state agency online services and pay one monthly bill.

Fast Facts

Administrator:
Idaho Information Consortium (IIC), a subsidiary of NIC, Inc.

Awarded Bid:
October 21, 1999

Contract Signed:
December 7, 1999

Publicly Launched:
May 2000

Structure:
IIC manages Access Idaho, however the State maintains oversight through a seven member Access Idaho Committee, which includes state government officials and the Access Idaho portal manager. Access Idaho can work with any Idaho city, county and state agency.

Self-funded:
Nominal application user fees fund the portal.

Employees: 10

Web Addresses:
www.accessidaho.org
www.state.id.us
